Trustees Letter

Welcome to your group directory for 2026-2027. Malvern u3a continues to thrive. For 2025-2026 we had just over 2000 members of which nearly 400 were new members.

Membership

Our membership year runs from 1st September through to 31st August. For 2026-27 the annual membership fee is £10.00 and the default session fee for those using public venues we have to hire is £2.00.

At the start of August existing members will have received a personal invitation with instructions on how to renew. Most of our members now renew online. For 2026-2027 we will continue to support in person payments at the open day in September. This can be by contactless card or by cheque (Not cash please). Please read the renewal invitation carefully. If you are willing and able, or can find a family member or friend to help you, to renew online it will help reduce our admin overheads significantly.

For new members, please visit our membership website at <https://members.malvernu3a.org.uk> for how to join.

Our Groups

In the following pages, you will find a list of all the groups presently operating. Information about new groups forming through the year is included in our monthly bulletins. Each group has a web page describing the group in more detail and often including up-to-date information on activities. As I write this in July 2026, around 25 groups out of our 115 groups have informed us that they are full and/or having a waiting list. We haven't included this information in this printed directory to avoid giving out of date information. Please see <https://malvernu3a.org.uk/> for the latest information.

Monthly Guest Speaker Meetings and coffee mornings

On the last Tuesday afternoon of most months, we host a guest speaker - please visit <https://malvernu3a.org.uk/meetings/> for the latest information. We also host regular coffee mornings at Malvern theatre at different days and times. These are a good opportunity to come along and chat with some of the trustees about any aspect of the u3a. Specific dates and times will be publicised in the monthly bulletins.

Getting Involved

Without group leaders and trustees, our u3a simply wouldn't exist. If you would like to help out with running an existing group or setting up a new group, do chat with any leader or get in touch with any of the trustees using the details at the start of this booklet. More detailed information can be found at <https://malvernu3a.org.uk/getting-involved/>.

We will be looking at materials, styles, techniques using a partial tutored session and part free time to work on or set up projects for home study. We could also do some outdoor work, portraits or still life studies.

LUNCH ALONE SUNDAYS (LAS1) on the 2nd and 4th Sunday

Various locations

Check with Leader

I think it would be fun to meet on the 2nd and 4th Sundays for a pub lunch rather than, yet again, cooking for one. I hope that there will usually be about 8 of us on a first come basis, and that as time goes on people will take a turn to arrange a meeting. If I can do it, anyone can!
